

unifold 8205-302

linear folding machine

for shaped lines up to formats 300 x 20mm
with possibility of creasing lines along the edge

pneumatic pressure

handsliding table to position
parts outside pressing zone

Data

power consumption

2 kW

power connection

220/240V (Single-Phase)

rec. air pressure

6 bar

measurements

135 x 70 x 135 cm net

145 kg net

Packing

150 x 80 x 155 cm gross

270 kg gross
